Which meeting would you like to submit your proposal to?		
<input checked="" type="checkbox"/> Southcentral Region (GMUs 6, 7, 8, 14C, 15)	<input type="checkbox"/> Southeast Region (GMUs 1, 2, 3, 4, 5)	
Please answer all questions to the best of your ability. All answers will be printed in the proposal book along with the proposer's name (address and phone numbers will not be published). Use separate forms for each proposal. Address only one issue per proposal. State the issue clearly and concisely. The board will reject multiple or confusing items.		
1. Alaska Administrative Code No. 5 AAC: 92.044	Regulation Book Page No.:	
2. What is the issue you would like the board to address and why?		
<u>Bear baiting not allowed in Unit 14C Remainder</u>		
Both black and brown bear hunting is allowed in Unit 14C Remainder for both residents and nonresidents and there is no closed season for black bear in Unit 14C Remainder.		
Unit 14C Remainder is adjacent to Unit 7 and within the Chugach National Forest. Bear baiting is allowed in Unit 7 within the Chugach National Forest. There is no reason we can see that bear baiting is restricted in 14C Remainder. The area is fairly remote, there are plenty of bears, and opening up more baiting opportunities will help spread out bear baiters.		
3. What solution do you recommend? In other words, if the board adopted your solution, what would the new regulation say? (Please provide draft regulatory language, if possible.)		
Add Unit 14C Remainder to the list of areas under 5 AAC 92.044 where black bear baiting is allowed April 15 - June 30.		
We also ask the board to consider allowing brown bear baiting from April 15 - May 31
